- aa. First Bank: #08-03334-C-3 (Kane)

Appellant originally filed with PTAB on 4-3-09 and requested an extension of time to submit evidence. PTAB granted appellant a 90 day extension of time. Appellant responded by submitting a stipulation signed between appellant and BOR. A certificate was included with this submission and indicates that taxing districts were notified of filing on 3-30-10. As of today's date, there are no

intervenors that have been made a party to the appeal. PTAB responded to this submission by granting a second extension on 10-22-10 of 30 days to the appellant requesting the following:

Please note section 1910.55(b) of the rules of the Property Tax Appeal Board provides:

- (b) If a stipulation is agreed to by all interested parties, it may be taken into consideration by the Property Tax Appeal Board, but must be supported by evidence in the record. The Board reserves the right to write a decision based on the facts, evidence and exhibits in the record. 86Ill.Admin.Code§1910.55(b).

Appellant has not responded to this request.

- bb. MacNeal Hospital: #07-22291-C-3 (Cook – Berwyn)

Intervenor, S.D. #100, originally filed with PTAB on 9-2-09. A total of 120 days has been granted for the submission of evidence. Intervenor was found in default on 12-16-10 with no evidence having been received by PTAB. Intervenor is requesting the default placed upon them be vacated per correspondence received by PTAB on 12-27-10. Request states that intervenor was under the assumption that a stipulation had been entered in this case. Intervenor has included a copy of a stipulation that is signed by only the intervenor, S.D. #100, and the appellant. This stipulation is dated 3-16-10. A copy of this stipulation has not previously been sent to PTAB.

- cc. Ameritech: #07-26720-C-2 (Cook – Palatine)

Cook County Board of Review was notified of the above docket number on 5-1-09. The appellant and both intervenors whom are a party to the appeal have submitted sufficient evidence. Cook County Board of Review was defaulted by PTAB on 12-16-10 and the remaining parties were sent notification that all evidence has been received and the file is ready for a hearing at a future date. Per correspondence from BOR received after the default date, the BOR has submitted a stipulation signed by the BOR and the appellant only and request that the default be vacated.

- dd. Thomas Calabrese: #08-04041-R-1 (DuPage)

Appellant originally filed with PTAB on 4-30-09. The DuPage County Board of Review filed a motion to dismiss the appeal based on untimely filing with PTAB. The BOR states that their notices were postmarked 3-24-09 and, based on this notice, the last day to file with PTAB was 4-23-09. Appellant responded to the Motion with a copy of the BOR envelope postmarked 4-1-09 contending the decision was not received until 4-3-09. Upon PTAB request that appellant submit copy of final written notice decision of BOR, appellant again sent a copy of a printout indicating the BOR confirmed the assessment. The BOR contends that the 4-1-09 postmark envelope was used to send PTAB appeal forms to the

appellant. PTAB has since received a copy of the final written decision of the BOR dated 3-24-09. Thirty days from this date expired on Thursday, 4-23-09.

Does PTAB want to dismiss based on untimely filing from written notice of BOR decision?

- ee. Midlothian Country Club: #08-24111-C-3 (Cook – Bremen)

Appellant originally filed with PTAB on 6-4-09. An extension request from the appellant was included with the original filing. A total of 90 days was granted to appellant for the submission of evidence. This extension expired on 6-30-10 with no additional evidence received from the appellant and the appeal was subsequently dismissed on 9-27-10 for insufficient evidence. On 10-12-10, PTAB received a motion to reinstate the appeal along with 3 copies of an appraisal for the subject property. Request states that a clerical error in the attorney's office resulted in the attorney being unaware of an extension letter being received from PTAB.

- ff. Theodore Tetzlaff: #08-24380-R-1 (Cook – N. Chicago)

Appellant originally filed with PTAB on 7-10-09. A total of 90 days was granted for the submission of evidence with the latest expiring on 7-15-10. Appeal was dismissed for insufficient evidence on 11-15-10. PTAB does not have a record of any evidence being received for this docket number. Appellant is requesting a reinstatement of the appeal per correspondence dated 12-20-10. Request includes PTAB's extension letter with an expiration date of 7-15-10 and a U.S. Postage Service Receipt whereby appellant claims the documentation was received by PTAB on 7-15-10. Appellant did not submit a copy of the evidence purportedly received by PTAB on 7-15-10 and evidence presently included in file is insufficient.

- gg. Imperial Realty Company: #06-29785-C-3 (Cook – Jefferson)

The taxpayer requests the Property Tax Appeal issue subpoenas to the Cook County Board of Review (Thomas Jaconetty), an employee of the Illinois Department of Revenue and for Mr. Gloudemans and Mr. Dornfest. Appellant asserts the subpoenas are necessary to establish evidence for the record on relevant issues in this matter regarding the level of assessment to be applied when market value finding.

Motion to Strike/Bar/Compel/Default. The appellant argued the BOR's submission does not qualify as documentary evidence, per Rule 1910.65(c); or per Rule 1910.67(a) or 1910.67(l). Appellant requests the evidence of the BOR be stricken from the record.

hh. Meijer, Inc.: #08-00230-C-3 (Will)

This reinstatement request previously went before our Board at the December 2010 meeting and was denied with a vote of 4-1. Appellant is again requesting a reinstatement and reiterates that the 10-1-09 extension letter generated by PTAB was not received. Appellant provided an affidavit from member of staff asserting that it has no record that the 10-1-09 extension was received. Appellant also asserts that the parties have reached a settlement for various dockets under appeal including the 2008 appeal and that the 2007, 2009, and 2010 years have already been stipulated to.

ii. Theodore Wynnynchenko: #08-25053-R-1 (Cook – Northfield)

This appeal involves an owner occupied dwelling in which the taxpayer is challenging the assessment of the land. Taxpayer has requested the issuance of subpoenas for James Houlihan (now Joseph Berrios), Assessor of Cook County and Dana Reese, of Cook County's Assessor's Office. Appellant argues that the method used by the Cook County Assessor to establish the land assessment is arbitrary and unconstitutional. Furthermore the taxpayer has a 2007 appeal that is currently under administrative review. In the 2007 appeal, the PTAB affirmed the assessment. The Cook County Assessor has responded and has objected to the subpoena requests contending that they are unreasonable and request unspecified documents and data that are not necessary to estimate a value to the real property.
